MEMORANDUM FOR: Executive Director-Comptroller

THROUGH: Deputy Director for Support

SUBJECT: Security Clearances for the Senior Seminar

1. This memorandum contains a recommendation for your approval in paragraph 4.

2. The goals of the Senior Seminar include broadening of the participating officers through exposure to a wide range of problems and activities involved in the US intelligence effort. To achieve this goal, it is essential that they be cleared during the Seminar for access to certain compartmented security clearances.

3. In my judgment these clearances should include:

25X1A

4. Recommend that you approve the issuance of the security clearances identified in paragraph 3 above to the 20 officers selected to attend and the officers who will conduct the Senior Seminar.
